GNI
Gloversville Neighborhood Improvement

The GNI enables individuals and families to live in decent, safe, affordable housing in quality neighborhoods. We foster the development of Gloversville as a dynamic city of thriving neighborhoods, providing a variety of housing choices and accommodating a diverse population. The GNI accomplishes this by providing essential housing programs & projects to create decent, safe, affordable housing – whether through home ownership or rental opportunities – or by working in partnership with all members of the community to create vibrant neighborhoods.
